THE MAGNIFICENT FOX

Exciting New
Fun Transportation

Campus Bike

With the accent on styling and comfort the handsome Fox Campus Bike incorporates all the outstanding features of popular full-size European cycles. From front to back it is designed to give flawless roadability and superb riding comfort.

Heavy-duty front shocks and shock-mounted swing-arm rear suspension . . . plush deep-foam saddle upholstered in striking white Naugahyde . . . wide-flared removable handlebars . . . sleek, full-contoured fenders . . . air-flow molded shroud and saddle . . . complete in every detail from the kick-up foot-pegs to the 6-volt electrical system . . . this is the handsome Campus Bike.

As versatile as it is attractive, the Campus Bike goes nearly 60 miles on a gallon of gas. Use it on or off the road for a new experience in sheer fun or as economical transportation. Comes finished in brilliant "Hi-Fi" blue with contrasting white and gleaming chrome trim.

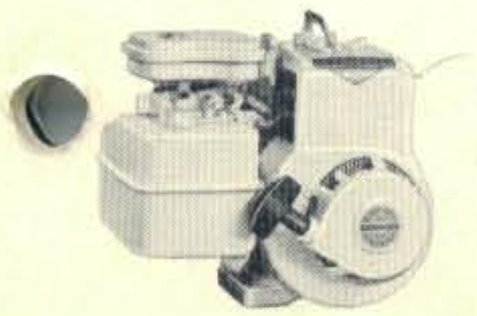
OUTSTANDING FEATURES BY FOX

FRONT FORK . . .

rubber-booted, heavy-duty coil spring shocks for unequalled road-holding excellence.

REAR SUSPENSION . . .

the secret of the Fox ride . . . shock mounted swing-arm design gives soft springing with firm damping.



BRIGGS POWER PACK . . .

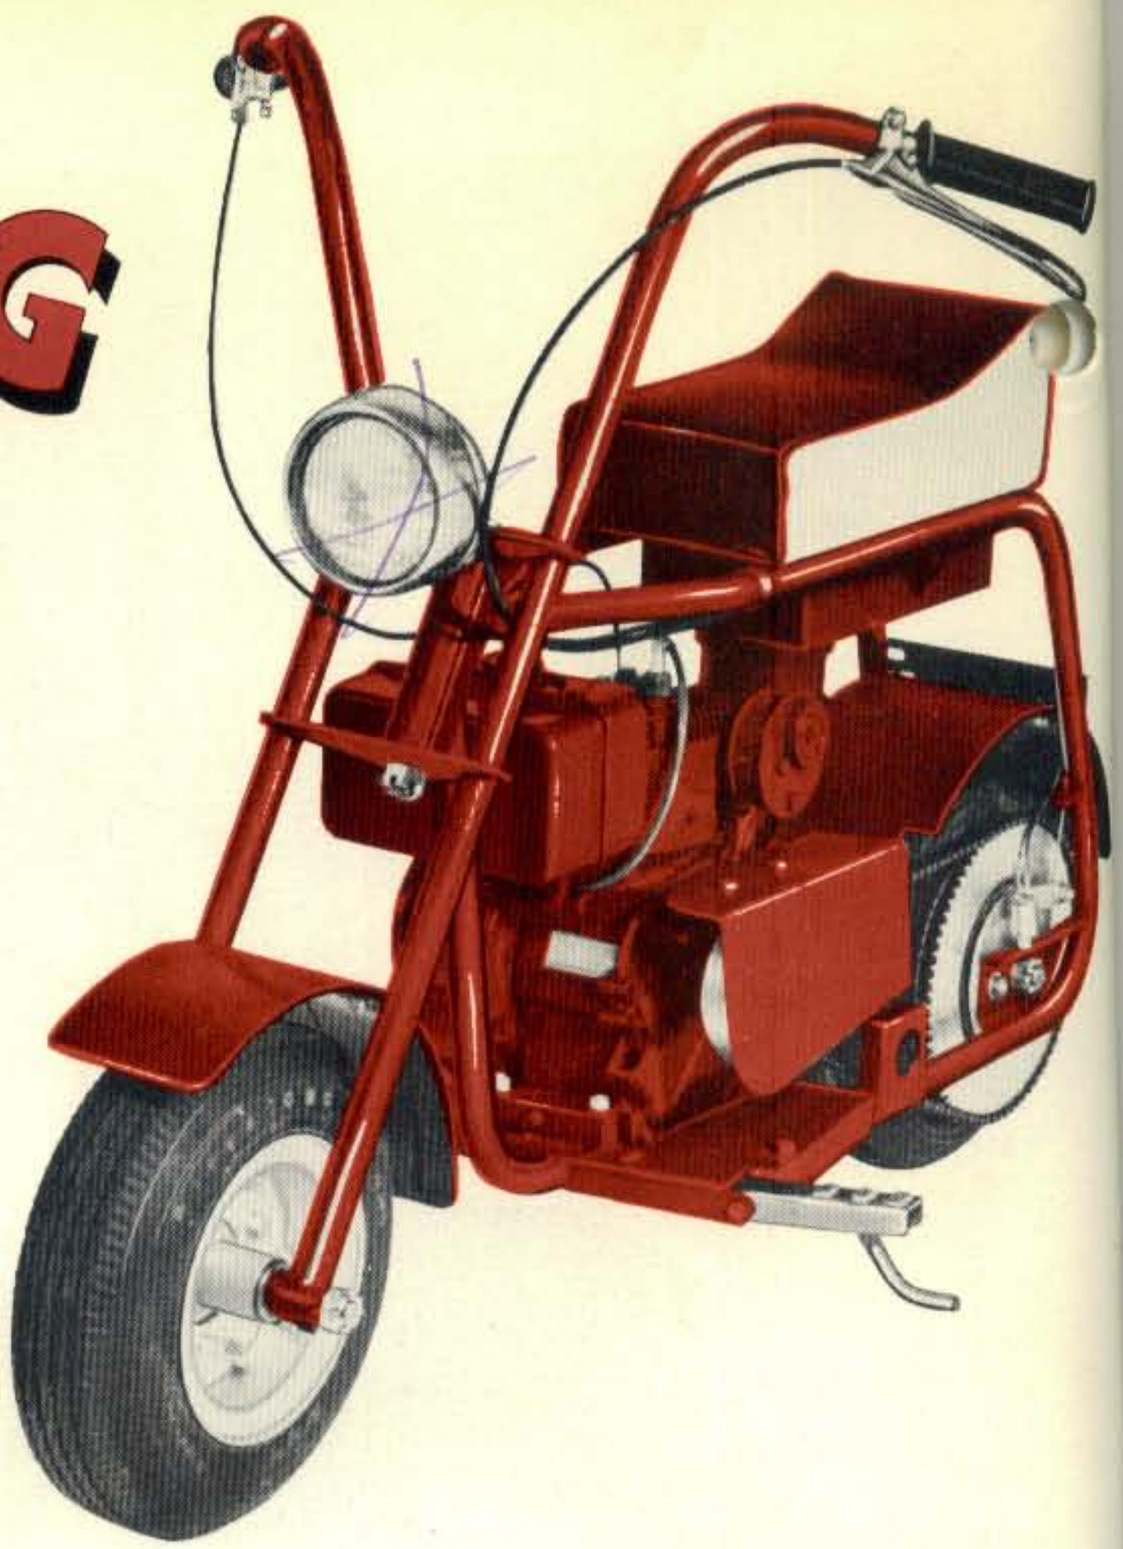
This little 7.75 cubic inch dynamo produces 3 h.p. at 3600 RPM's . . . features easy-spin starting; single carburetor adjustment for easy tuning; 3-quart gas tank; exclusive "Kool-Bore" cylinder — tougher, lighter, cooler.

UNITIZED SHROUD AND SADDLE

streamlined one-piece, full-contoured shroud protects electrical system, provides convenient speedometer housing. The thick padded saddle is gracefully sculptured for luxurious comfort . . . styling features offered *only* on the Fox Campus Bike.

COMPACT, STURDY

DOODLE BUG



Truly the original concept of mini-bikes . . . compactly designed, easily portable, ruggedly constructed for low-cost daily transportation and week-end fun. Built with the same quality components as the deluxe Campus Bike, the compact Doodle Bug furnishes plenty of action for trail rides, scrambles or enduros . . . it's a real gas miser as a delivery or transportation vehicle . . . strong as a stallion, it will carry campers, hunters or farmers over the roughest terrain without a strain

FAST 'N FETCHIN'

The fast moving Doodle Bug lists many of the features of the deluxe Campus Bike. Comfort-contoured thick foam saddle . . . racy heavy-gauge steel radius fenders . . . extra wide handle-bars with plenty of knee-room . . . big 5-inch internal expanding brake . . . the 3 h.p. Briggs or the Lauson power pack . . . kick stand and kick-up foot pegs. As handsome as it is rugged, the brilliant red finish offset with white trim gives the Doodle Bug eye-catching appeal.

THE FOX ECONOMY CHAMPION . . . THE SPRITE!

Where economy is the important requirement, the jewel of the mini-bikes, the Fox Sprite is the pick of the pack. Top quality in every aspect, economy only in its lack of optional equipment, the fire-red Sprite features Fairbanks centrifugal clutch, power-packed 2¼ h.p. Lauson engine, quick-action paddle brake, and soft foam saddle.

Attractive two-wheel transportation that goes anywhere . . . for work or play, over the road, across fields or through the woods. The magnificent Fox mini-bikes are first choice everywhere for breezy, spirited fun . . . for the exciting urge to GO!

250-366	Briggs 4 H. P. Engine	(30 lbs.)	64.50

Two-cycle engines use a gas and oil mixture. Two-cycles are preferred on racing karts because they are lighter in weight and wind up to a higher RPM. All kart racing classes are set up for the above listed two-cycle engines.

Four-cycle engines use regular gasoline and have a separate oil crankcase that holds the lubrication oil. Four-cycles are ideal for fun karts and mini-bikes because they provide dependable steady power with practically no adjustment or tuning necessary. Four-cycles also get much better gasoline mileage.

How To Order

Most Fox dealers carry a good sized inventory and can fill your orders from stock. If you do not know the name of your nearest FOX dealer, we will furnish it upon request.

If there is not a dealer in your area you may order by mail from the factory. All orders sent to the factory must include full payment and will be shipped freight collect.

Orders may be shipped by Parcel Post if they are under 20 pounds and are not over 72-inches in combination length and girth. Include the postage with your order. Orders too large for Parcel Post will be shipped by Railway Express or by truck. You pay the charges on arrival.

Minimum mail order is $5.00. Wisconsin residents must add 3% sales tax to all orders.

PARCEL POST RATES

WEIGHT LIMITS: Parcels should not weigh more than 20 lbs. for parcel post shipment. Check the weight listed after each item listed.

SIZE LIMITS: Parcels shipped first class post offices must not exceed 72 inches in length and girth combined. All items weighing 16 oz. or more will be shipped Parcel Post (Fourth Class).

NOTE: Any fraction of a pound over the weight shown takes the next higher rate.
